# Flying Hills School of the Arts

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

## General Information about the School Accountability Report Card (SARC)

**SARC Overview** By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office. DataQuest is an online data tool located on the CDE DataQuest web page at DataQuest https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). The California School Dashboard (Dashboard) California School Dashboard https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. Internet Access Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **About this School**

Grade Level	Number of Students
Kindergarten	85
Grade 1	67
Grade 2	79
Grade 3	76
Grade 4	86
Grade 5	79
Grade 6	90
Grade 7	73
Grade 8	70
Total Enrollment	705

## 2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	50.1
Male	49.8
American Indian or Alaska Native	0.4
Asian	2.0
Black or African American	7.5
Filipino	0.0
Hispanic or Latino	42.4
Native Hawaiian or Pacific Islander	1.3
Two or More Races	4.5
White	36.5
English Learners	17.0
Foster Youth	0.4

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.00	
Misassignments	0.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	1.00	

#### School Facility Conditions and Planned Improvements

#### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. This survey was completed on 05/19/2022 and is available at the Facilities, Maintenance and Operations office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

#### **Facilities Description**

This school has 26 permanent classrooms and 6 portable classrooms, a library, a multipurpose room, and an administration building. The main campus was built in 1959 and modernized in 1996. The school office was recently remodeled. A new relocatable classroom was added this year.

Facility improvement funds were recently used to add a new modular classroom building.

Overall Facility Rate	
Exemplary	Good

#### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	38	N/A	36	N/A	47
Mathematics (grades 3-8 and 11)	N/A	25	N/A	24	N/A	33

#### 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement

### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Subject	School	School	District	District	State	State
	2020-21	2021-22	2020-21	2021-22	2020-21	2021-22
<b>Science</b> (grades 5, 8 and high school)	NT	27.66	NT	20.43	28.5	29.47

### **B. Pupil Outcomes**

## **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	97.4	97.4	97.4	98.7	98.7
Grade 7	88.4	89.9	87.0	87.0	94.2

## **C. Engagement**

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Local Control Accountability Plan (LCAP) - School districts in California are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). Cajon Valley LCAP Committee meaningfully engages a broad group of stakeholders comprised of parents, community members and school and district staff members to provide input in the development of the plan to identify annual goals, specific actions, and measures of student progress. The LCAP guides decision making about actions and services for all students in the district including low-income students, English Learners and foster youth.

#### School Site Committees:

School Site Council (SSC) – Our School Site Council is comprised of parents, staff, and the principal. The School Site Council makes decisions for the school through the development and implementation of the Comprehensive School Plan for Student Achievement. The SSC approves categorical budget expenditures focused on improving student achievement.

Parent-Teacher Organization (PTO) - The PTO allows opportunities for parents to participate not only in fundraising but in the many aspects of the fine arts program. Examples include costume and set design, backstage help, organizing special events, field trips and activities to promote the fine arts at Flying Hills School of the Arts.

English Learner Advisory Committee (ELAC) – This committee, comprised of parents of English learners, advises the SSC and the principal on the instructional program for students who are learning English

#### School Events:

Each Year the Flying Hills parents are invited to Back-to-School Night at the beginning of the school year and our Arts Festival in June. Other parent and student events will include Movie Nights, Family Bingo Nights, Book Fairs, Fun Run, Family Dance and Awards Assemblies. In addition, there are many performances presented for parents including Instrumental Music Performances and numerous FAME shows and productions.

#### Parent Education:

The Cajon Valley Union School District is committed to supporting families through a strong parent education program. The district and sites offer parent training opportunities which include virtual and in-person single and multiple session workshops that empower parents to support their children with both academic and social-emotional needs. Workshops and classes are based on parent/student needs and parent interests.

The Family and Community Engagement (FACE) Department develops and supports parent education opportunities through collaboration with district departments and site staff members who facilitate parent education workshops.

In addition, the district collaborates with various community agencies to support effective parent education. The district promotes parent education through the San Diego County Office of Education's sponsored conferences, Grossmont Adult Education, the WorkForce Partnership, East County Career Center, Grossmont Community College Career Center, Rady Children's Hospital, International Rescue Committee, California Collaborative of Educational Excellence, The Brookings Institute, and the California Engagement Initiative.

By empowering and educating staff, we are better able to listen to and address the needs of our parents through educational opportunities. The FACE Department provides professional development for school and district staff to help further deepen the collective understanding of what it means to authentically engage families to support their children. Staff trainings include, but are not limited to, an introduction to Family and Community Engagement, Positive Home Visits, developing Family Teacher Teams, and understanding community challenges and barriers.

2021-22 Chronic Absenteeism by Student Group						
Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate		

### 2022 School Accountability Report Card

#### 2022-23 School Safety Plan

Flying Hills School is focused on providing a positive, safe, and secure learning environment for students, staff, parents, and the community. The site's comprehensive Safe School Plan addresses safety concerns identified through a school wide

#### 2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
К	25		1	
1	24		2	
2	26		2	
3	24		3	
4	33			
5	36			1
6	28	1	7	
Other	20	4	7	

### 2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.6
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	

### 2022 School Accountability Report Card
